Keep in mind that investing involves risk. The value of your investment will fluctuate over time, and you may gain or lose money.

The Fidelity Cash Management account is a brokerage account designed for investing, spending, and cash management. Investing excludes options and margin trading. For a more traditional brokerage account, consider the Fidelity account.

Fidelity is not a bank, and brokerage accounts are not FDIC-insured, but uninvested cash balances are eligible for FDIC insurance.

Fidelity Goal Booster is a service mark of FMR LLC. The trademarks and/or service marks appearing above are the property of FMR LLC and may be registered.
